

Year 4 Home Learning - Autumn Term 2019

WALK LIKE AN EGYPTIAN

DT: Make a model of an Egyptian Shaduf.

Art: Using Hieroglyphic lettering. Create a message for your friends to decipher.

RE: Research and present information on an Egyptian God of your choice.

DT: Make a model of a pyramid. It could be out of lego or cake (Yummy!).

Over the course of the term we would like you to complete at least 5 of the activities suggested on this letter. If you can think of an even better one, please feel free to complete it in your home learning book to share with the class: you may inspire some others!

We recommend reading at home DAILY. When you read to yourself, please make sure you record it in your reading records. These are checked regularly and we will be encouraging you to read to yourself, or an adult, as much as possible.

Please continue to practise the spellings from the lists which will be sent home and also on the website.

Geography : Draw a map of Egypt which includes the river Nile. Label it and include any facts which you research.

English: Write a diary entry as Howard Carter on the discovery of Tutankhamun's tomb.

Science : Create an information pack about the organs which went into canopic jars.

On going : please regularly use **Timetable Rockstars** to help with a quick recall of your multiplication facts.
Reading for pleasure. Keep your reading record up to date. Write a book review and share it with the class.
What's in the news?
Come in and share any current affair stories.

Dec ~
Christmasaurus

Art : Make a Christmas decoration to put on the school Christmas tree.

English : Write a letter to Father Christmas persuading him that you have been good all year.

DT: Make some Christmas themed biscuits to share with your friends.
