

### Playground games IDEAS/MEMORIES

We are very interested in finding out the sort of playground games and the sort of playground equipment the Parents and Grandparents of our pupils used to enjoy when they were at school. We would like to compile many of these ideas into a book which will then be available for families to use to inspire their play at home. We would be thrilled if you could send your playground game ideas and memories to us so that we can teach them to the children and record them for posterity. You can either drop off ideas at the school office or email them to [secretary@threemilestone.cornwall.sch.uk](mailto:secretary@threemilestone.cornwall.sch.uk)
