February 2022

Dear Parents/Carers,

Thank you for taking the time to complete our annual questionnaires of which we had 177 returned (42%). We really value all of the responses which gave us reason to celebrate what we are doing well and have provided us with thoughts and ideas about how we could improve.

All answers to the Questionnaire will be discussed within our Senior Leadership Team and summarised for our Governors. All responses are taken seriously and if appropriate, the leadership team or class teachers can pick up any specific concerns with you. There are no common themes of comments made which we can address as a whole school.

Please remember that we would always encourage you to come into school and talk to our staff if there is something urgent which needs addressing, or you have put something on your questionnaire which you feel needs a greater discussion..

Thank you once again for your time,

*S Teagle*
