

Be part of something

Where everyone is welcome

Where learning is fuelled by creativity

Where great things happen

14th October 2022

What a fantastic week! The children are really stuck into their learning and when we had 2 visiting headteachers in yesterday Mrs Callow from Trewirgie Infants and Mr Nicholls from Nanpean, children were able to show off what they knew! With a focus on history and geography, children from each year group were able to talk through their Enquiry question, in history showing really secure links in the chronology of the learning they have learned and also a grasp of the world and the way humans interact with it, through the questions in geography. It was an absolute privilege to hear how much learning has been going on.

The residentials for the summer term have now been organised, so if you have not received a letter via Parent Pay, please contact the school and if you are worried about finances, we would welcome a conversation to come up with a solution so as not to cause any worry.

Next week are Face to Face meetings (**NO CLUBS!**) and I know how much class teachers are looking forward to sitting down with the children and families looking at their learning and talking about their successes.

Some of the clubs will be changing after half term, so please make sure you cast your eyes on the Google Forms sent next Monday morning. We also have many families not completed the form regarding collection from school. As I am sure you are aware, this is incredibly important in order to safeguard your child. The link will be emailed out to you again today.

I hope you have a good weekend and looking forward to seeing you on Monday!

Year 3 INVITATION

Miss Body, Mrs Vale, Mrs Ascroft and the Y3 team are so incredibly proud of their learning this term on the Stone Age. Worried that there won't be enough time for a proper celebration of learning in books during 'Face 2 Face' meeting, they are welcoming all families to come in and look at books and talk to children about their learning on Thursday afternoon at 2:30pm.

The children will also be involved in Stone Age art which you are able to do with the children, or they can be involved in if you are unable to pop in.

REMINDER:

Tempest photo orders to be returned to the office by Tuesday 18th October.

Please find all diary dates on the school website:

The PTFA has managed to secure us some match funding for spring bulbs from Fentongollan Farm. The PTFA are donating £50 so we have £100 in total. The Toy sale and uniform sale were fantastically supported today.

Again, many thanks to our PTFA for their hard work and commitment to enhancing our school.

Headteacher: Ms Suzannah Teagle
