

Be part of something

Where everyone is welcome

Where learning is fuelled by creativity

Where great things happen

30th June 2023

This last half term is in full swing! With the school now recovering from all the residential, we are back to discovering opportunities closer to home! You can see the website posts of the activities we have been involved in, and take note of all the dates coming up! Year 5 and 6 teachers have attended training today of the TPAT 'Advantage' Project, which will enable all year 5 and 6 children to have iPads next year - with the focus on using the incredible apps and techniques to enhance all aspects of learning - from direct instruction and independent practice to assessment and feedback. This is such an exciting project and a privilege working with the amazing Abdul Chohan (@Abdulchohan). Moving forward we have our transition days which I know our staff are incredibly excited about. On Thursday, we have our Trust wide fundraising day (see below) - we will be discussing this with our children on Monday. Not long left until the summer break ... rest at the weekend so we have lots of energy for the last bits of learning!

TPAT GREEN DAY - Thursday 6th July

TMS, TPAT and Cove (Macmillan Care) have been working together with a plan to support schools in the event of a member of family, or friends, living with a diagnosis of cancer. With the money schools in TPAT raise, we will be buying resources to support our school community.

On this day, please dress up in GREEN - however crazy ... or not! There will also be some small competitions in school for children to bring in 10p - colouring, guess the ... etc

We are inviting our families to **a CAKE COMPETITION and CAKE SALE** - this can even be green if you like! At 3pm, our doors are open in the hall to buy all the delicious a cakes.

End of year reports

If you are not the main carer for your child, but still would like to request a school report, please contact the office and we will ensure our details are up to date, and will send one onto you!

SHELLS, PEBBLES and BIBBLES - 2023-2024

Due to the rising costs of utilities and in staffing, we have had no choice but to increase the cost of our sessions for Pebbles and Bibbles to £9 (and £8 for sibling discount). Shells will remain the same.

On Fridays, due to numbers being less, the Pebbles sessions will finish at 4.30 at a cost of £7.50 (and £6.50 for siblings). Bibbles will remain open until the usual time.

Reminder : Shells starts at **7.35am**

Beach Clean

A MASSIVE thank you to Miss Body, the Eco team and all the families who supported in our beach clean on Monday - we had a great time and even closer to gaining plastic Free status!

Headteacher: Ms Suzannah Teagle

16th June 2023

We are really excited to share the school's plans for 2023-2024. We can now start transition planning; over the next few weeks the children will have time with their new teachers and support staff, before the actual moving up days on 4th and 5th July. Mrs Ewart will also liaise with families for additional transition meetings for children with SEND, if needed.

Next year, Mrs Vale will be continuing her work with Cornwall Science Learning Partnership and will be teaching science across the school.

Following 10 years at Threemilestone School, Mr Bagley has made the decision to move on from his role with the school. I'm sure you'll join me in thanking Mr Bagley for his hard work and dedication to the school and wishing him the very best for the future. Barcelona are currently being supported by Miss Andrew, Mrs Brown and Mr Wake.

As always, any questions, don't hesitate to ask - Ms Teagle

Current class	New teacher	New support staff	Class name	New classroom
	Mrs Brown	Mrs Chamberlain, Miss Andrews, Miss Atkinson,	Blisland	Blisland
	Mr Knight	Mrs Prout, Mrs Hilton, Miss Hodgen, Mr Trout	Kea	Current Bedruthan
