

# Year 3 Homelearning Autumn Term 1 2023

**THREE  
MILE  
STONE**  
Primary  
School

## HISTORY

Show a day in the life of a prehistoric person. This could be presented as a video diary, storyboard, written diary or any other creative way.

*or*

Design your own Prehistory quiz to share with the class. Think about all the information you have learnt about the eras.

*by 29th September*

September composer of the month - Mozart  
October composer of the month - Debussy

Author of the half term-  
**MORPURGO!**

## ART

Why did people in the Stone Age create cave paintings? What was their purpose and what were they communicating?

Research to answer this question and then draw your own modern day cave painting. What would you draw and why?

*or*

Draw or make a 3D form of a Bronze Age round house or Iron Age hill fort. Make sure you include the key elements of these settlement types. What makes them different? How have they changed?

*by 13th October*

## GEOGRAPHY

Where are Stone Age settlements in Cornwall?  
Draw or create a map of Cornwall and find a creative way to show where these settlements are.

*by 6th October*

## RE

What are the most popular traditions and celebrations in the Hindu religion and what do these symbolise?

How do Hindus show commitment of their faith?  
Choose an interesting way to present your findings.

*by 20th October*

## Computing

Have a go at logging into:

- Google Classroom
- Go Read
- Times table Rockstars
- Spelling shed
- My maths

*Let us know if you have any problems as soon as possible.*

*by 15th September*
