

# SPACE

## Year 5 Homelearning

### Autumn 1 2023

THREE  
MILE  
STONE  
Primary  
School

#### FRENCH

Practise the numbers to 20, so you know them really well out of order. Teach them to another family member and then play bingo with them. Also practise the numbers to 100. (Links to help will be in Google classroom)

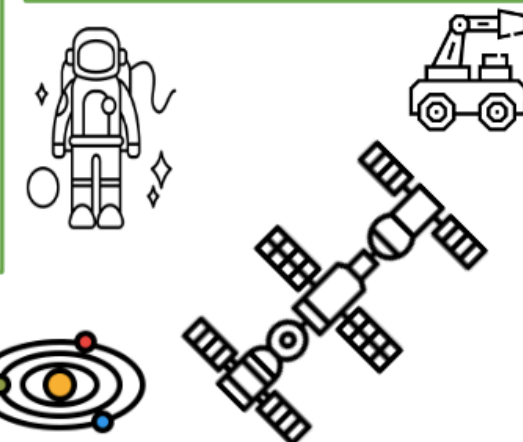

**By Friday 13th October 2023**

#### GEOGRAPHY

Carry out some research into the solar system and present it using Google Slides! Which countries have done what and when?

Look at the ISS - who is involved/when/how/what do they do?

**By Friday 6th October 2023**

#### ART

Can you design and create a new planet?  
Design and create a new space robot!  
Use a range of different medias to create a model of the ISS or the Solar System!

**By Friday 13th October 2023**

#### RE

Who is Brahman? What do Hindus believe?  
Carry out some research and present your ideas using Google Slides!

**By Friday 15th September 2023**

#### English

Imagine you are an astronaut on the International Space Station. Write a diary for either a typical day - include all of the things you have to do....or... an exciting day where something very unusual happens.

**By Friday 22nd September 2023**

#### DT

Design and create a prototype of a tool which an astronaut could take into space with them. What would it do? How have you adapted it for use in space?

**By Friday 29th September 2023**

September composer of the month - Mozart  
October composer of the month - Debussy

Author of the half term-  
**MORPURGO!**
