Online Safety (PSHE)

Respectful behaviour

- Use kind words to communicate online and face to face.

Sharing Information

- Only communicate with people I know are safe
- Never share age, address, name, school, clubs
- Talk to a friend or trusted adult about sharing information online

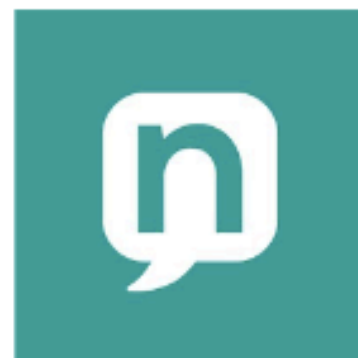

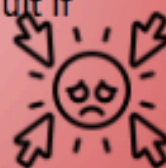

Managing passwords

- Information needs to be protected online by the use of a password
- Use Numbers, Uppercase/Lowercase & Symbols (NULS)
- A trusted adult will help you choose a password

Online bullying (intentional unkindness Several time on Purpose)

- Bullying can happen online as well as in person
- Use kind words to communicate
- Talk to a friend or trusted adult if upset by anything online

A positive online reputation

- Online posts last forever
- Computers track everything we do
- Speak with kindness and respect online
