Online Safety (PSHE)

Respectful behaviour

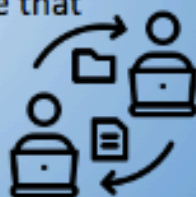

- Consider others feelings when communicating online
- Understand that it is not ok to ask for personal information.
- Consider the impact of my digital footprint on myself and others.

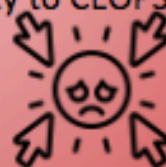

Sharing Information

- Sharing information can negatively affect my mental health.
- Sharing information can negatively affect other people's mental health.
- People can regret sharing information, but it is too late to change that decision.

Online bullying (intentional unkindness Several times on Purpose)

- Evidence of online bullying must not be deleted.
- Speak to a trusted adult if I have a concern about online bullying
- Block people who are being unkind online by using the button on websites and report activity to CEOPS

A positive online reputation

- Be truthful
- Keep private information private
- Be aware of my digital footprint
(the information about a person that exists on the internet from their online activity)

Managing passwords

- Use Numbers, Uppercase/Lowercase & Symbols (NULS)
- Use a website to check how secure my password is
(www.security.org/how-secure-is-my-password/)
- Understand 2 factor authentication
